

Prospectus for sale of the Nclosure Brand including all product rights and designs.

Offers are invited for the Timber brand registered in The Intellectual Property Office of the United Kingdom known as "Nclosure".

Nclosure provides a convenient brand to market unique timber products in the Agricultural, Horticultural and Forestry Product sectors and includes rights from an overseas supplier to have access to the supply of unique components, products and designs of various products.

The following elements are included in the sale in part or in whole

Website address [www.nclosure.co.uk](http://www.nclosure.co.uk)

Also trading name of Nclosure Ltd (Dormant) Registered at Companies House

The above website has been optimised so that the search engine ( Google being one for example ) may well easily register Nclosure as being one of the first listings for

- Wooden Fence Post
- Wooden Sheep Hurdle
- Wooden Alpaca Hurdle

Included in the sale

Rights to manufacture and produce the unique products such as Priddy Hurdles in the territory of the United kingdom

This will present a great opportunity, for a prospective existing Timber supplier to strengthen their range , or make for a startup package for a new business.

The owners of the above being Mr and Mrs Gary Pearce of Long Paddock Peppershells Lane Compton Dando Bristol BS39 4ll, freely offer for sale as a whole the Company elements of Nclosure [ not property] to re-focus on their other business activities .They will assist in any way to enable a fast track approach during the handover to the successful purchaser. END
